Re:- Construction of 2 'C' type and 1 Twin Type Quarters in the premises of -- "Kumarakrupa" (attached to 'A' type Quarters for the use of the Personal Assistants and Drivers)

=====

I write to forward herewith an estimate amounting to Rs.30,700/- got up for the above work for favour of sanction and early return.

The report in duplicate accompanying the estimate explains the in detail the necessity and the nature of provisions made therein.

There is no provision for this work in the Current Budget, but separate provision will be made by re-appropriation of funds during March 1956.

The buildings proposed are as per instructions of the Chief Minister issued during spot inspection. He was also pleased to instruct that these allied buildings may be put up simultaneously with the two main buildings ('A' Type Quarters) under construction.

The estimate was placed before the Board at their meeting held on 26th December 1955 when they approved the same, vide copy of the resolution No.397 herewith annexed for favour of information. As the work is urgent and these buildings will have to be completed simultaneously with the "A" Type Quarters already under construction.

P.T.O

(2)

I have this day called for Tenders for the work pending sanction to the estimate, which may kindly be sanctioned early.

Yours faithfully,

(B.V. Lankappa)

Chairman.

Ksr.

Proceedings of the Meeting of the Trust Board held on 26-12-55. (2)

---

Subject No.397

Estimate for Rs.30,700/- for construction of 2 'C' type quarters and 1 Twin Type Quarter in the premises of "Kumarakrupa" (attached to 'A' type quarters for the use of the Personal Assistants and Drivers).

Sri V.M. Mascarenhas was of the opinion that the total cost towards the construction of both the kinds of quarters--'C' and Twin Type Quarters should not exceed Rs.9,000/- or so. The Chairman also suggested that some little modifications were necessary in the plan and it would be better if rooms were little bigger. The Government Architect desired to know the exact position where the quarters would be constructed. After some discussion it was resolved:-

Board resolution:- "That the above estimate for Rs.30,700/- for construction of 2 'C' and 1 Twin Type Quarters be approved and further the plans to be adopted and location to be fixed in consultation with the Government Architect."

(Sd) B.V. Lankappa,
Chairman.

Report to accompany the estimate for constructing Two 'C' type Quarters and one Twin Type Quarters in the premises of Kumara-krupa.

======

At present two 'A' Type Quarters for the use of Ministers are under construction in the premises of Kumarakrupa with the completion of these buildings, it is necessary to construct some allied structures for the connected staff consisting of Personal Assistants and Drivers. It is therefore proposed to construct for the time being, two 'C' type and one Twin type quarters in the same area. The Chief Minister has also been - - pleased to instruct that these allied buildings may be put up simultaneously with the two main buildings.

The proposed buildings will be of brick masonry with necessary stone masonry foundations and basement and lime concrete bed with teak wood doors and windows and R.C.C. Roofing. The estimate provides for these items together with all other necessary items of work. The rates provided are as per sanctioned schedule of 1954-55. ~~The rates provided are as per sanctioned Schedule of 1954-55.~~ The total cost of constructing two 'C' type and one twin type quarter comes to Rs.30,700/- as per General abstract estimate enclosed.

The estimate for Rs.30,700/- may therefore be sanctioned early.
